iShares is a proud sponsor of  
**Cirque du Soleil's** 2007-2008 U.S. touring shows

Innovative. Breakthrough. Creative. Inspiring. These are just a handful of attributes that iShares and *Cirque du Soleil* thinkers have in common. It's no wonder then why we decided to sponsor the *Cirque du Soleil* 2007-2008 U.S. tour. Their innovative approach to the entertainment world reminds us a lot of how we challenged the financial services industry with exchange traded funds. With iShares ETFs, your investment strategy never looked this creative.
