

# You're Welcome

AND

# You are Welcome

Hi. We're Northwest Resource Federal Credit Union. **(Wave to us, we're right around the corner!)**

First, we treated you to a free dessert.

Now we're going to treat you to a  
**free happy hour appetizer.**

Walk off that dessert you just ate and come see us. Bring in this flier and receive a happy hour appetizer coupon for this restaurant **ON US**. Why are we doing this? Because once you visit us you'll see we're more than just another "bank."

# You love Portland

You ride your bike to work. You don't need an umbrella when it rains. You walk everywhere. You know all the happy hour spots and enjoy the art scene.

You live, work, and play **downtown.**

## We get downtown.

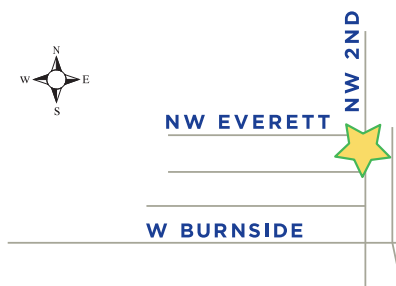

We've been right here, in the center of Old Town, for more than 70 years. Our members choose us because of our commitment to the local community and our understanding of the downtown way of life. When a member joins us, they stay for the long haul.

- Convenient downtown location
- Shared ATM and branch network throughout the United States
- Tellers who will remember your name
- 24 hour online banking service
- Full suite of products - both Business and Personal
- Display and rotate local art monthly
